

## Additional On-Line Information

## Journey of Understanding

### Purpose

These web resources extend the opportunities to build on what has been discovered through the *Journey of Understanding* digital resources.

Recommended information sources, such as Wikipedia, are kept up-to-date through regular editing by the on-line community.

This document is intended to be an open-ended toolbox resource. Users of *Journey of Understanding* are invited to add to the list to provide additional guidance.

The [Queensland Museum welcomes feedback](#) about this learning resource.
