## Dino Stomp

Make your own dinosaur mask, put on a dinosaur tail and stomp through our *Lost Creatures* exhibition.

## Ocean Mural

Help us to create and colour an amazing underwater themed mural.

## Discovery Play

Explore and develop your curiosity with lots of hands-on activities.

Proudly presented by C&K.

## Magnify Your World

Eye spy with my little eye... Grab a magnifying glass and clue, and see if you can find it and more in the Discovery Centre.

## STEM Explorers

Play, build, invent and explore in our hands-on construction zone.

## Microscopic Monsters

Horrible head lice, tricky ticks and fantastic fleas – create your own Play-Doh menacing monsters!

## My Butterfly

Mix observation with imagination to create your own butterfly to sit on your finger.

## Storytime

Join Aboriginal woman Jenna Lee for an interactive storytelling session as she narrates books of creation, culture and connection.

## Meet Our Entomologists – Incredible Insects!

Uncover the tiny world of insects and experience them up close.

## Jurassic Jayne and the Dinosaur Club

Go on a fun-filled musical journey through the amazing world of prehistoric reptiles.
